On Tuesday 3rd of October 1950, a florence  
police station rescived a call reporting a  
Roman Tomb with missing serits. Till this day  
the mystery has been unsolved. The primary  
witness, Mr Hermann Zapf, a tourist from  
Germany says he stumbled upon the Tomb, his  
keen eye for typography meant he cought what  
others cannot and brought to our attention this  
great tragedy.
